

**NEW**  
**SUN ODYSSEY 33i**

Product portfolio - January 2009

# The good things in life are within your reach

The Sun Odyssey 33i is designed and built for the passionate sailor. Every detail appeals to the connoisseur; from the perfectly balanced sail plan and excellent cockpit layout to the rich feel of the interior and high level of standard equipment.

Keeping the traditional, performance-oriented Jeanneau buyer in mind, Marc Lombard designed a swift hull that provides the volume and comfort onboard while never compromising the sailing qualities.

No other boat in its class offers the full range of features and amenities that you will find onboard the all-new Sun Odyssey 33i

- Sleek and comfortable family cruising boat
- Pedestal-mounted wheel steering comes standard
- “Unlimited Ocean” category A rating from the CE
- Stylish interior using plenty of solid wood mouldings

A full-featured cruising boat with a version for every taste

**2 different underwater configurations:**

- Fixed keel (1.90m) with single rudder
- Shoal keel (1.45m) for increased access to shallow cruising areas

**3 different rig choices:**

Standard classic mast / In mast furling / Taller, Performance mast (available only with standard keel 1.9m)

No boat in its class offers so many choices.

# Design

---

- Elegant lines on deck and rich interior down below blend perfectly into the rest of the Jeanneau Sun Odyssey range
- Fully conceived using CATIA® design software ensures a better boat with more attention to detail
- Design by Marc Lombard

# Key Features

---

- Elegant lines and injection moulded deck
- Category A rating
- Contemporary styling uses the combination of white upholstery and rich wood materials with stainless steel details
- Essential cruising amenities like hot water and 12V refrigeration are standard
- Fixed keel or shoal keel versions
- Performance mast, sails and deck hardware package available
- Wheel steering standard
- Lots of light and ventilation
- Easy short-handed sailing with winches and lines close to helm
- Plenty of comfort options (Shorepower system, microwave, bimini, electric windlass, MP3/CD player with exterior speakers, insect screens and shades)

# Exterior

## Deck hardware and rigging

- Selden mast provides features, such as automatic reefing
- Harken winches make the boat easy to handle
- Lines lead aft for easy sail handling
- Mainsheet on the coachroof keeps the cockpit uncluttered for safety and comfort

## Spacious cockpit

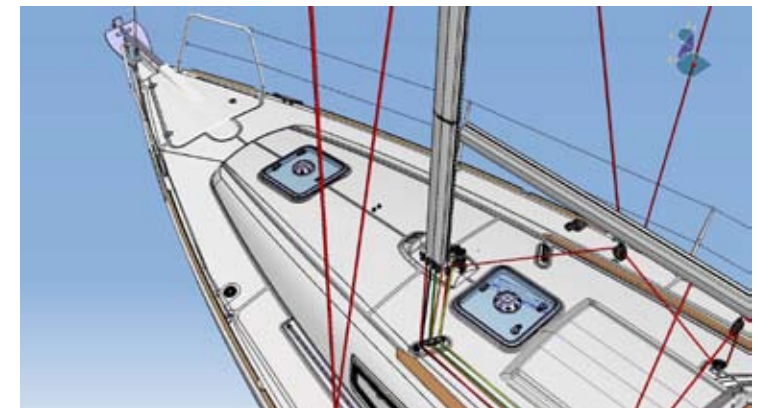

- Genoa winches on coamings near the helm
- Very large cockpit locker with storage shelf
- Seating and transom with inlaid wood battens

## Wheel Steering

- Integrated electronics pod and compass
- Engine throttle control on pedestal
- Folding cockpit table with cupholders

## Dedicated liferaft locker

- Quick and easy access without taking up space in the cockpit locker

# Performance version

---

Looking for better performance and sail control, Jeanneau launched its world-renown Performance range in 2005. Since then, it has been a great success and appeals to the sailor that wants to customise his boat to go further and faster.

## Mast and rigging

- Taller mast
- Tri radial cut, Mylar/taffetas sails
- Adjustable backstay 1:16
- Dyneema® running rigging
- Racing furler with twin groves and removable drum

## Deck hardware

- Larger genoa winches (Harken 40.2) and larger halyard winch (Harken 32.2) in order to handle the higher loads
- Mainsheet traveller on the cockpit floor with fine tune for ultimate sail control
- Ball-bearing Harken genoa cars adjustable from the cockpit

## Underbody

- Flex-o-Fold 3-blade propeller to cut down on drag
- Compatible with the standard 1.9m keel

# Construction

---

- Injection deck
- Solid, hand-laid glass hull with counter-moulded structure

- Contemporary interior design in Fine Teak with satin varnish
- Standing headroom throughout
- Light head liner material used on ceiling and along hull sides to create the maximum feeling of space and light
- Light and ventilation (3 hatches, 4 opening ports and 4 fixed windows)
- Lots of storage space throughout saloon and cabins
- Companionway and floorboards include laminate materials provide protection from the elements and long-lasting beauty

## Saloon

- Large table with fold-down leaves and bottle storage
- Sliding navigation desk provides a true forward-facing chart table, but slides out of the way to increase the saloon's size when dining or sleeping

## Galley

- Well-equipped galley 100 L icebox and 2 burner hob and oven (optional microwave)
- 12V refrigeration is standard
- Galley with solid surface countertops

## Cabins

- Hanging lockers and cabinets
- Reading area with reading lights in each cabin
- Forward cabin with bi-fold door

## Head

- Very large head compartment with wet-locker, plenty of storage, mirror, and stand-up shower
- Hot water heater is standard
